- What stood out for me was the quality of the teaching, the accommodation, the camaraderie amongst students and the food - Jonathan H.
- *The best thing about doing the immersion at Crea-Langues is the growth in confidence to speak in French - Jackie M.*
- It was a great way to ask, learn about and practise everyday expressions - Jacqueline R.
- *The activities outside the classroom were great fun, and they were also invaluable in giving us the confidence and opportunity to speak French amongst native speakers - Nancy B.*
- The immersive environment in the old monastery was superb. The accommodation I had on both occasions was excellent and the food was divine - Hilary L.
